Dear reader:

This is the fifth edition of our project's magazine „Podium International Tolerance Network“. For two years, we have been reporting on our network member organizations' activities, on the results of our work, and on news in the area of education for tolerance, democracy, and human rights. Now we are interested to hear your opinion on this newsletter in order to make it more informative and improve the networking it is supposed to make possible.

We are looking forward to reading your opinion and receiving your ideas!
